ISCAP Art Sale

Thank you to everyone who participated, helped, donated artwork and attended. We could not have done this project without Asbury's encouragement and gracious sponsorship. It was a financial success, but so much more than that. Cooperation, friendship, generosity, artwork, laughter.

Carol Anderson

Painting Group

The Painting Group will meet on Thursday, March 21, from 1-4 pm at the home of Carol Anderson.

As it's now the Year of the Pig, maybe some piggies painted in watercolor would be fun.

Meet Gerry Harman- Acolyte Ministry Coordinator

We will have a new friendly face helping with our Acolyte Ministry. Gerry Harman will be assisting our acolytes on Sunday mornings. He will be meeting with the acolytes at 10:45 am **to prepare in the Narthex. Please say "hello" and a huge "thank you" as this ministry position** has been vacant for a while and is very important in supporting the children and keeping them safe.

A few fun facts about Gerry. He's originally from South Bend, Indiana. He has a PhD in Special Education from Indiana University. He is a third-generation clown (he was the clown at Asbury's Christmas party and in a recent sermon on Sunday giving out balloons). He and his partner Marlon have been together for 17 years! He loves Mike and Ike candy and he has two wonderful and spoiled cocker spaniels.

We are so excited to have Gerry join our team of volunteers! Thank you, Gerry!

WELCOME NEW MEMBERS!

Joining us on February 3rd were:

From the Connection Corner

March 3: Come to the Connection Corner to talk to the Girl Scouts about their beautiful and personally expressive art which will be hanging in the Connection Corner on Girl Scout Sunday.

Beginning 10th: Look for another whole-church wall exercise in the social hall! This time we'll be asking everyone to share: What volunteer/personal ministries work you do/or have done, both inside and outside Asbury/other churches/non-profit organizations; and what you consider 'your ministries' to be. We're not just looking for 'organized' volunteer/ministry work--we're looking for some of those 'hidden ministries' you all do that maybe you don't consider to be ministry--like caring for family and friends, Dina's card ministry, knitting prayer shawls, etc. Some of you may be shy about sharing. That's ok if you are. Please consider sharing as a way to celebrate as a church the numerous and creative ways we let God work through us as we reach out to serve others. You never know--by sharing you may inspire someone in a way you could never imagine! See you in the Connection Corner!

The Missions and Service Committee Update

The Missions and Service Committee will still exist and do all the work it has been doing...but for the balance of 2019, we're going to **REFRAME and SHIFT FROM** being the **committee** that does mission and service on behalf of Asbury **TO** helping the congregation go on a church-wide journey called **"Multiply The Love: A Faith in Action Invitation."**

Why are we doing this? Who among us has ever been in a community like Asbury? I've never experienced a place like Asbury! Personally, I've seen more lives changed here--really changed--than anywhere else. How is all that change happening? God is mightily at work in and through our minister, staff, and congregation. Through Billy's vision, leadership style, and of course his sermons and worship, and the staff, choir, committees and congregation, God is amplifying what Billy shepherds at Asbury. We're drawn to this loving transformational community of love and acceptance. And the world is desperate for Asbury's kind of love!

"Multiply The Love: A Faith in Action Invitation" campaign is an intentional expansion of Asbury's transformational love and acceptance. Asbury's definition of the gospel: the Good News is God already loves you just as you are! At Asbury we are blessed to be a part of an amazing community where we can begin to more deeply accept this Good News, and be incrementally changed by this level of transformational love and acceptance.

So what is our response to be to the Good News? Each of us is called, as we are able, to pass that unconditional love along to others--by intentionally serving our Asbury and Savannah neighbors and our families and friends. Every single one of us has gifts, talents, and experiences that we are called to offer to help others feel and receive this transformational love and acceptance.

This campaign isn't about doing jobs or tasks. It's about finding and following Jesus' call to serve --intentionally bringing the love and acceptance we feel at Asbury wherever we go, in whatever action we take.

It's not about quantity. It's about intentionally working on bringing a higher **quality** of love and acceptance to others through our actions and encounters--and intentionally asking and trusting God to use our efforts to bless people through our actions.

You'll hear more about the journey soon, and throughout the year. I hope you'll join us on this exciting journey! At the end of the year we'll do some discernment exercises to see where God is calling us personally and as a congregation.

On March 24 following coffee hour, we'll have a light lunch and discussion in the sanctuary with more details and Q&A for anyone interested in learning more. Please sign up in the Connection Corner so we will know how many to prepare for. The official kickoff will be in April.

I look forward to this journey together, and am grateful for how your love is changing and softening me. Please let me know any questions you have. Don't forget to sign up in the Connection Corner for the March 24 lunch meeting. Please let me know if God is calling you to work on any part of this campaign.

-Susan Bolinger, chair, Missions and Service Committee and **"Multiply The Love: A Faith in Action Invitation"** journey.

The Missions and Service Committee Update—Con't

Handy Hands

Handy Hands, a part of the Missions Committee, is Asbury's Building & Repair Team that works in the Savannah community helping homeowners and non-profit organizations.

Every 1st Saturday of the month from 9 am - 1 pm we'll be working somewhere in Savannah using our skills and elbow grease to bring Asbury-style transformational love and acceptance to the people we are serving. Here are some upcoming Handy Hands projects we are planning (subject to change):

March 2: Asbury work day--clean, straighten and organize storage shed for upcoming Handy Hands projects, build something for an upcoming sermon, clean up the neighborhood around Asbury, etc.

April 6: Habitat for Humanity Faith Build (more information and sign up to come)

May 4: Paint It! Plant It!

Handy Hands, Reconciling Ministries, and The Green Team are all co-sponsoring Paint It! Plant It!, a community-wide project to benefit Phoenix Project, part of Union Mission. If you can push a roller, pull a paint brush, plant a petunia, or dig a hole, they want YOU to Paint It! Plant It! At Union Mission, a shelter for the homeless.

At the height of the HIV/AIDS crisis in Savannah, most turned their backs: most politicians, most churches, and even many in the gay community, but Union Mission did not. Phoenix Project was established and helped hundreds with medicine, housing, food, transportation, and caring friendships. Now we want to support the LGBTQ community in giving back to Union Mission!

The event is Saturday April 27 and May 4th from 10 am to 4 pm at Union Mission 120 Fahm St behind the bus station. More information and sign up to come! Mark your calendars and sign up at the Connection Corner if you want to participate either day. If you care to donate to help fund this project, please give a check to Asbury with 'Paint It Plant It' on the memo line and your funds will be used for this event.

Future Handy Hands projects being planned: working in homes and yards near the Asbury Henry/Waters neighborhood; working at a group home near Asbury which is part of Union Mission; etc.

If you are interested in joining us, please contact Susan Bolinger at 218.213.2127.

Financial Peace, Dave Ramsey

"Dave Ramsey is a businessman and entrepreneur who accumulated a \$4 million real estate portfolio, only to lose it all - and nearly everything else he owned - by making the same mistake millions of Americans make every day: he got too far into debt to get out. Dave Ramsey is also a Christian family man who, through the turmoil of his financial nightmare, discovered a new way of life. He shared the lessons he learned by writing *Financial Peace*, a simple but powerful guide that offers practical lessons on how to get out of debt - and stay out."
