We are so proud of all of you! Always know that we are a call, an email, a text, a snapchat, or a smoke signal away! Cheering you all on from AMUMC! You are missed and loved dearly!

#### Congratulations—Nico Meraz

As described by Wikipedia, "Eagle Scout" is the highest achievement or rank attainable in the Boy Scouting program of the Boy Scouts of America (BSA). The designation "Eagle Scout" was founded over one hundred years ago. **Only four percent of Boy Scouts are granted this rank** after a lengthy review process. The requirements necessary to achieve this rank take years to fulfill. Since its founding, the Eagle Scout rank has been earned by almost 2.5 million young men.

Requirements include earning at least 21 merit badges. The Eagle Scout must demonstrate Scout Spirit, an ideal attitude based upon the Scout Oath and Law, service, and leadership. This includes an extensive service project that the Scout plans, organizes, leads, and manages. Eagle Scouts are presented with a medal and a badge that visibly recognizes the accomplishments of the Scout. Additional recognition can be earned through Eagle Palms, awarded for completing additional tenure, leadership, and merit badge requirements. (Wikipedia)

Our very own Asburian, Nico Meraz, is now officially one of the elite! We are so incredibly proud of this young man's accomplishment! What you must also know is that this incredible achievement of becoming an Eagle Scout is only the tip of the iceberg when it comes to Nico Meraz.

Continued on next Page

#### Congratulations-Nico Meraz continued

I had the privilege of meeting Nico, his sister (Kiki), and his mother (Lisa) two years ago when I was asked to join a brainstorming session for the Asbury Memorial Youth Group. As you may know, this lead to the amazing honor of getting to know this trio even more over the course of the next two years, along with the other incredible youth we have in our little group. What first appeared to be an adorable little trio I quickly realized was a picture of strength, determination, compassion, and unconditional love.

Whether it is flashing his simple smile, helping to move stages, grabbing the mic to MC an event, or helping in countless other ways, Nico is always extending kindness to others. This is demonstrated not only in becoming an Eagle Scout and the acts of service one must complete, but in his volunteer work through our youth group, and always being the first to say "yes" when asked to help at our church. We have watched this young man grow before our eyes seeing him as a rock for his family, and not fully realizing until recently how much he has become a huge part of our foundation here at Asbury Memorial as well.

As this amazing trio prepares to tackle their next great adventure in Texas together, arm in arm, I pray they know they are leaving far more behind than the Eagle Scout project at Camp Low. They leave such wonderful memories that will forever bring smiles to our faces, and they leave holes in our hearts as we will miss them daily! I pray they know they carry with them our never-ending pride, support, and love always and everywhere.

We are so incredibly proud of you, Nico, for your great accomplishment of becoming one of the elite – an Eagle Scout! I speak for all of your youth leaders, friends, and church family when I say we have peace, faith and comfort knowing you will continue to make this world a better place each and every day by simply being **you**! Never forget your True North, Nico, and always know you have a home due East as well.

Waking Up White

"For twenty-five years, Debby Irving sensed inexplicable racial tensions in her personal and

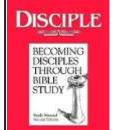

professional relationships. As a colleague and neighbor, she worried about offending people she dearly wanted to befriend. As an arts—administrator, she didn't understand why her diversity efforts lacked traction. As a teacher, she found her best efforts to reach out to students and families of color left her wondering what she was missing.

"Then, in 2009, one "aha!" moment launched an adventure of discovery and insight that drastically shifted her worldview and upended her life plan. In *Waking Up White*, Irving tells her often cringe-worthy story with such openness that readers will turn every page rooting for her and ultimately for all of us. *Waking Up White* is a wake up call everyone."

Sign up at the Connection Corner or the bulletin board before you enter the Social Hall.

Disciple I Bible Study --- Becoming Disciples through Bible Study Starts Sunday, September 16th at 6 pm, facilitator: Ernie Lee

This course offers a way to learn and understand the Bible using personal study and group collaboration as a way to a deeper spiritual life. The format of the class has the participants watching a themed film, answering questions, completing exercises and discussing the Scriptures in both small and large group settings. Through these studies you can grow in faith and knowledge while developing close and lasting ties with your classmates. This 34 week program starts Sunday evenings beginning September 16th at 6:30 pm. This study requires a commitment of at least 3 – 4 hours of independent study and preparation each week. Sign up at the Connection Corner or

the bulletin board next to the Social Hall.

#### Interrupting Silence, Walter Brueggemann

Starts Wednesday Night, September 12th at 6:30 pm Study will be held in the Conference Room

Facilitator: Susan Bolinger

"Interrupting Silence illustrates that the Bible is filled with stories where marginalized people break repressive silence and speak against it. Examining how maintaining silence allows the powerful to keep control, Brueggemann motivates readers to consider situations in their lives where they need to either interrupt silence or be part of the problem, convincing us that God is active and wanting us to act for justice."

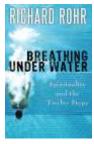

To sign up: Come to the Connection Corner at coffee hour or see the sign up sheet on the bulletin board next to the Social Hall.

#### Breathing Under Water, Richard Rohr

Starts Sunday, September 9th at 10 am

Co-facilitators: Ruthie Duran Deffley, Andrea Harrelson & Steve Johnson

Study will be held in the Conference Room

A perfect writer on the subject of the Twelve Steps, Rohr explains how the renowned AA program is preeminently spiritual and has the power to rescue people from the tidal wave of compulsive behavior and addiction by helping them 'breathe under water' and discover God's love and compassion. Rohr identifies the core Christian principles in the Twelve Steps and connects them to the message of the Gospels. To sign up or for more information, contact Ruthie at rdurandeffley@asburymemorial.org or sign up at the Connection Corner.

Dave Ramsey is also a Christian family man who, through the turmoil of his financial nightmare, discovered

#### BUT WHAT DO WE NEED? - VOLUNTEERS AND LOGISTICS ITEMS

We need volunteers to: home bake, pecan sort, package our home baked products and of course sales and logistics support on November 17<sup>th</sup>. If you would like to learn more about each of these tasks please see the bulletin board by the social hall or contact Bill Jahn. .

Our logistics team – we transport and do the set up and take down of our event items – **desperately need to find a box truck, 16 to 20 feet in length**, for the event weekend. If you have access to one or know of someone that might donate its use please let us know. We will also need other small items PLUS some strong backs to do the loading and unloading.
