August: The Best Time to Give

When is the BEST time to give your offering to the church? Of course, any gifts at any time are always appreciated. But late summer is also a very good time to give to the church, especially if you want to give when it's most needed.

This chart shows the actual giving to Asbury Memorial during 2023.

Income is totaled for each month (and note that 2023 was a bit unusual, in that there were five months that each had five Sundays: January, April, July, October, and December). And Easter also fell in April. Then I ranked the months from 1 to 12, with 1 for the month when the church received the most, and 12, the month with the lowest giving.

MONTH	Monthly Offering	% of total	RANK
January	\$ 63,991	9.37 %	4
February	43,902	6.43	11
March	65,694	9.62	3
April	60,510	8.86	5
May	40,003	5.86	12
June	57,265	8.38	6
July	53,890	7.89	7
August	47,339	6.93	10
September	48,844	7.15	9
October	53,805	7.88	8
November	67,718	9.91	2
December	80,138	11.73	1
TOTAL	683,099	Avg. =8.33	

2024 STEWARDSHIP PLEDGE

As a retired pastor, I'm not surprised that three of the months in which giving was most above the average giving were December, November, and January. I think that's because some people wait until December to catch up, or they make their entire annual gift then. Others are the opposite, they give their entire yearly gift in January. Every church's "cash flow" goes up and down most years like this.

Note the average giving per month: \$56,925.00. Note also that the summer months of July, August, and September all fall below the average monthly giving for the year. It's not in the chart, but I calculated that by the end of September in 2023, we were almost \$31,000 behind where we would have been if giving had been spread equally in every month throughout the year.

Here's my quick takeaway: Any time is a great time to give financial support to our church. But the best time to make the most impact, to make the most difference, to give when it's really needed? My best answer: July, August or September!

Blessings,

~ Rev. Richard Allen

BIG COFFEE HOUR AT *Wesley Oak*

The recent Big Coffee Hour enjoyed by our two campuses on June 30th at Wesley Oak was a great time! Originally conceived as a way to foster mingling and celebrate the growing work and worship at both Asbury and Wesley Oak, the gathering exceeded expectations.

The basement was filled to capacity with attendees enjoying delicious food and warm company.

The overwhelming positive response has prompted discussions for a follow-up event, tentatively scheduled for this Fall. Weather permitting, we hope to host this upcoming gathering outdoors.

This joint initiative has demonstrated the strength of our co-ministry and its potential for building a stronger, more unified community. As we look to the future, we are excited about the opportunities this collaboration presents for deepening connections between our campuses.

We extend our heartfelt gratitude to all who contributed to the event's success and to those who participated. Your enthusiasm and support are much appreciated!

Stay tuned for more details about the Fall event and other upcoming opportunities to come together as a community.

COASTAL INTERFAITH GREEN TEAM

August 2024

On July 11 members of the Coastal Interfaith Green Team participated in an online forum on solar energy sponsored by Georgia Interfaith Power and Light. Representatives from Georgia BRIGHT discussed their program which is dedicated to helping Georgia's, low, middle-income and faith communities access solar energy through discounted solar leases.

The BRIGHT program saves customers money on their utility bills, requires no upfront cost and Georgia BRIGHT handles all the installation and maintenance of the solar panels.

In a follow-up meeting on July 30 members of the Coastal Interfaith Green Team met to discuss a series of questions related to the Georgia BRIGHT program. Those questions included:

- What are the advantages and disadvantages of the Georgia Bright program?
- Are the potential savings significant enough to justify signing a long term contract?
- How do we determine if our faith community building is a candidate for solar panels?
- If a faith community installs solar panels, is battery storage a necessary component?
- Does the cost of battery storage negate the potential savings of solar energy?
- What information must be gathered for an application to the Georgia Bright program? · What is the concept of faith communities as climate resiliency hubs?
- In addition to the installment of solar panels, what are other ways faith communities can become resiliency hubs for their communities?

2ND SUNDAY

Seekers

Second Sunday Seekers Group meets on the second Sunday of each month at 6:00p at Parker and J.J. Collins' house.

This group is for anyone who wants a safe space to ask questions, share thoughts, and hear different perspectives about all things spiritual and theological. Let's get together to discuss the sacred mysteries, the frustrating questions, the ethical dilemmas, and moral conundrums.

There is no agenda, no book to read, and no expectations. Just bring an open heart, an open mind, your humility, your curiosity, and your kindness.

What Is Stephen Ministry?

*Bear one another's burdens, and in this way
you will fulfill the law of Christ
(Galatians 6:2, NRSV)*

Stephen Ministry offers a proven and effective way to organize, equip, and supervise a team of congregation members—called Stephen Ministers—to provide high-quality, one-to-one, Christ-centered care to people in the congregation and the community experiencing life difficulties.

The Blessings of Stephen Ministry

Stephen Ministry multiplies blessings throughout the church and community

- Congregations carry out Christ's commandment to "Love one another as I have loved you" (John 15:12 RSV) in a powerful and practical way.
- Pastors have a team of gifted, trained, and committed lay caregivers ready to minister to hurting people.
- Laypeople nurture and use their gifts in meaningful ministry, growing spiritually as they serve others.
- People who are hurting have a caring Christian presence to provide emotional and spiritual support.

In short, Stephen Ministry helps carry out the mission of the church. Please call Candace Jenkins at the church office for more information. 912-233-4351

Come Help in the Garden!

Have you ever wished you had the space for a big garden with a ton of sun? Guess what...you do! Wesley Oak has had a long-standing tradition of putting in a garden every year. We cannot do it alone. We have a small team, but we need more help. We need people to help plant, water and weed on a regular basis through the season.

If you have time, love to be outside, and could help out on a weekly or bi-weekly basis, please do let us know. We will work up a schedule and get you in the loop ASAP. You set your own times - we just need to make sure we have days covered.

BIG NOTE: You do NOT need to be a gardener. This is a fun thing and we want all to be able to reap the rewards. Any and all help is greatly appreciated!

WESLEY OAK'S BOOK EXCHANGE

Wesley Oak has a book exchange!
Do you have a book you just loved? Did you read something that inspired you? Is there a book you think others would enjoy reading? Donate it!!
Everyone is encouraged to participate in the donating and borrowing of books. Once you read the book, just return it back to the library at Wesley Oak. Borrowers are encouraged to write a little something in the book for the next person to read.

SMART RECOVERY FOR INDIVIDUALS

Do you want to address an addiction problem or harmful habit? With our practical tools based on cognitive and motivational psychology and addiction research, SMART Recovery helps you make and sustain positive changes that lead to a balanced life.

Through our meetings, tools, and strategies, SMART can help you stop harmful habits and behaviors, including addiction to alcohol and other drugs, or negative behaviors related to relationships, sex, spending, gambling, eating and exercise disorders, and self-injury.

SMART Recovery is unique. Our science-based approach emphasizes self-reliance, self-resilience, and self-empowerment. With SMART, you are the expert on your recovery. You choose how to personalize your plan for successful change. There's no requirement to commit to a lifetime of SMART Recovery meetings. You decide when and if the time is right to move on.

SMART and Other Recovery Groups

SMART Recovery believes that people find their own paths to successful recovery. For some, that path may include 12-step programs or other support groups. Although SMART's approach differs from those of other organizations, it does not exclude them. We recognize and support the fact that many individuals benefit from participating in more than one support community.

Get Started

Ready to get started? SMART Recovery hosts online and face-to-face meetings around the world. Our online message board is an excellent forum to learn about SMART and get 24/7 support.
